Heading public property

There are many facilities in our village, town and streets. They are our facilities. There are such facilities which are not owned by individual but are used by everyone. Such properties are called public property.

It is owned by government

It is meant for the welfare of the people.

All people of the country have equal right to use it.

Eg : Public parks, public roads, public schools, public hospitals, public post office, public trains and buses, public bank, public fire station, police station, public court and public library etc..

Public Property

Public parks

Trains

Post offices

Roads

Public schools
