

## SAKARBAI KHIMJI RAMDAS MEMORIAL SCHOOL (ENGLISH MEDIUM)

Date:- 17-04-2020

To All Parents,

Greetings from SKRM School,

Hope you and your family are doing well. We are pleased to inform you that we are starting **E-Learning** Lectures for Board students and many more activities for rest of the school in this lockdown period so that our students can get maximum benefit. Schedule for E-learning and activities will be updated on our official website ([www.skrmschool.com](http://www.skrmschool.com)) and through WhatsApp Broadcast group shortly. All the E-Learning Lectures and activities will be available on our website in **E-Learning Section**. Some of the **E-learning** lectures and activities will be also available in our **You Tube Channel SKRM School**. We request you to subscribe our **You Tube Channel**.

Further we would like to inform you that there are many important things that you need to take care while your Son/Daughter participates in **E-Learning** which are as follows:

- As E-learning is completely online, so internet facility is required. Students can participate from devices like computers, laptops, tablets, smart phone etc.
- Government Guidelines need to follow strictly in Lockdown period.
- No need to purchase any special hardware or any special high speed Wifi Internet connection for E-learning activities.
- As all the activities are online students can view lecture in their own free time.
- Our School has taken an initiative of keeping the students engaged by doing some hand on activities which will enhance their various skills and imagination. Looking forward to see a lot of cooperation by parents.

**Happy Learning**
